PDG Will Snyder, Academy Dean

STUDENT AGREEMENT - 2010-2011

The District 5110 Leadership Academy program is a nine-month series of courses and meetings designed to increase the knowledge of past club presidents, presidents-elect, presidents-nominee and other "qualified" Rotarians to participate in leadership at the District level. Taking part in this program requires a strong commitment, particularly with regard to the time required on the part of the individuals nominated and selected to participate. In past years, during the concluding seminar, participants have stated that it would have been helpful to be fully aware of all the Leadership Academy requirements prior to agreeing to participate, therefore, to assist the potential nominee in deciding whether to participate or not, this Agreement of Understanding has been developed.

The Leadership Academy requirements for Students are as follows:

1. Have a personal computer and be "computer literate". **NOTE:** No "special" equipment is required, but as with all things in the area of technology, the newer, the faster the better! May use either a PC or a Mac.
2. Have Microsoft Internet Explorer installed on computer and use for all Academy work. This is necessary to insure student will be able to successfully access the secured area of the Academy web site and download all course materials. Previous students have encountered difficulty when using other web browsers.
3. Have a personal Gmail address to be used for Academy purposes. Other email addresses will not be accepted. (no exception) Once your Gmail account is set up, you will be able to configure it to automatically forward all communications to your default email address.
4. Must check email on a daily basis to stay current with Academy communications from instructors & webmaster.
5. For Windows users, you should be using Windows 2000, XP, Vista or Windows 7 (highly recommended).
6. Microsoft Word is not required, but is strongly recommended for all course assignments!
7. Have a "good working knowledge" of the Internet and be able to access and use it without any difficulty.
8. Know how to open / download Adobe PDF and/or Microsoft Word files.
NOTE: All course materials are available only on the Leadership Academy Website and it is the responsibility of each student to obtain the material from the website in a timely manner. Course materials are not available in other formats for students to work "off-line" as extensive use of the Internet is required for all courses.
9. Know how to open and read email file attachments from the Dean, instructors and the webmaster.
10. Know how to attach all course assignment files to an outgoing email message. You will need to do this for each course in the Academy. Assignments submitted by "embedding" them in the email message itself will be rejected by all of the instructors.
11. Have the latest version of the Adobe Acrobat Reader (Version 9+) installed on his/her computer and understand how to download, open, read, print, and use Adobe PDF files. **NOTE:** (Version 9+ is available for free download on the <http://www.adobe.com> web site.).
12. Each Academy course will be posted on the Leadership Academy Website between the 1st and 5th day of the month in which the course is being taught (depending on the Webmaster's schedule). The Academy Webmaster will notify students via email to their Gmail address of the course availability. Each course will require downloading and printing of various course materials. Students can expect to print approximately 200 pages of material during the year.
13. No course will be posted earlier than the month in which it is taught even if requested by a student. Courses are not finalized by the instructors until approximately 1 week prior to being taught and the instructors are only available during the month in which their course is taught.
14. A survey of students over the years indicates that most students require 4-5 days on each course, each month. This includes the time spent reading, doing the course assignments, and preparing for the final exam. It could take less time or significantly more time if club involvement is required, but all courses must be completed within the 30-day period. The amount of time spent on each course will depend on the individual student's knowledge of the specific course as well as his/her knowledge and use of the Internet. Students who wait until the weekend before the deadline are the students that do not complete the Academy. The course assignments require that the student work on them throughout the entire month in order to get them completed in time.
15. All final exams are taken online with Hosted Test and require a minimum score of 70% to pass. The 2009-2010 overall class average for all six course exams was 91.4%. Students may retake the exam until they pass it.
16. Attendance at the following meetings / events is required of all students in order to graduate. If you cannot attend all of these required meetings/events due to a conflict, you may wish to review this Agreement carefully and express your concern with the Rotarian who is nominating you and/or discuss it with the Academy Dean, or you may choose to participate in the Leadership Academy program at some time in the future when you can positively commit to attending all of these required meetings:

1. **October 16, 2010:** District 5110 TRF Seminar & WCS Meeting (Cottage Grove)
 2. **March 12, 2011:** World Community Service Committee Meeting (Phoenix School, Roseburg)
 3. **April 2, 2010:** District Training Assembly and Academy Workshop (Cottage Grove)
 4. **April 28, 2011:** Final Seminar/Graduation (day prior to start of District Conference)
17. All Leadership Academy Courses are to be **completed within the 30-day period for each course and submitted by the deadline for each course (this includes the taking of the exam)**. It is important that students stay current with each course as posted, however, students **may not** proceed to the next course until the previous course has been completed and the final exam has been passed **and the next course is posted**. **Work for Courses #1 through #3 must be completed no later than Dec. 20, 2010 or the student may be dropped from the program. Work for Courses #4 through #6 must be completed by April 10, 2011 or the student may not be allowed to graduate.**
18. **VERY IMPORTANT:** Students will need to perform all of their Academy course work on a computer with high speed access to the Internet and which is NOT located behind a government, banking, brokerage house or other business office firewall. These firewalls prevent students from accessing the secured area of the Academy web site where all of the course work is posted. Nine years of DLA graduates can confirm that there is **no way around this so please don't ask for help making this happen**. In addition, several of the courses require the taking of online tutorials that can only be accessed with a high speed connection. Students without access to high speed Internet or who are behind the above-mentioned firewalls will need to find alternative Internet access such as home or the public library or **should not** enroll in the Academy **until** they do have **unobstructed high speed Internet access**.

STUDENT AGREEMENT

I confirm that I have read the above District 5110 Leadership Academy requirements and fully understand what will be expected of me if I am selected to participate in the 2010-2011 Academy. **Therefore . . .**

- I agree to attend all four of the required events as listed in Item #16.
- I agree to complete all courses by their individual DEADLINE as stated in #17.
- I understand that **failure to complete Academy courses by the deadlines, as stated above (without good reason), may cause me to be dropped from the Academy program during the current year.**
- I understand that Academy courses will only be available in the month stated and will **not** be available early.
- I agree that my written essay (should I choose this option) may be made available for public view on the Leadership Academy web site and that all of my assignments will be posted on the Academy Google Group.
- I understand that the District will provide materials such as an Academy Notebook, Notebook inserts, etc. and that **I will be required to spend a approximately \$35.00-\$50.00 of my own funds to Purchase various materials from Rotary International for the assigned course work, provide my own transportation to each of the 4 Academy required meetings/workshops and that there will be extensive printing of materials throughout the Academy year.**
- I understand that high speed Internet access is required to complete all Academy work online.
- I understand that by signing this agreement I am signing a "contract" with the District 5110 Leadership Academy to complete all of the requirements for the Academy **during the 2010-2011 Academy year**.
- I have read the provided Instructions for Leadership Academy Students and fully understand them.
- I have reviewed the Sample Course provided and understand the basic requirements for all Academy courses.
